

# Proclamation

*Whereas* school leadership along with classroom instruction are vital school-related factors that contribute to the academic success of Wisconsin's students; and

*Whereas* school principals handle a wide range of responsibilities that include supporting students as learners and families as the students' first teachers, creating a positive school climate that is inviting to students, families, and the community, managing budgets, and ensuring the smooth operation of the school programs and facilities; and

*Whereas* as instructional leaders, school principals work collaboratively with teachers to maintain high standards for teaching and learning, set performance goals that drive continuous improvement, and support and guide educators and staff in their work; and

*Whereas* the National Association of Elementary School Principals, the American Federation of School Administrators, and the National Association of Secondary School Principals, working with Congress, have designated October as National Principals Month;

*Therefore, be it resolved that* Wisconsin citizens observe National Principals Month as a time to honor and recognize the contributions school principals and assistant principals make to ensure our students graduate ready for college, careers, and the responsibilities of citizenship.

## National Principals Month

*October 1-31, 2018*

  
Tony Evers, PhD, State Superintendent
